DRAFT

GoalCom- Recommended SAB Goals (Summarized) for 2012 – 2013

**Goal 1** –Expand our advocacy responsibilities and accountability with our seniors and the pertinent public or private bodies.

**Goal 2** - Specifically identify, advocate, and educate the public or private bodies with the needs of our seniors. This includes gathering the needs by going to where our seniors are with a newly created speaker's (and listening) bureau.

**Goal 3** - We will increase our visibility with the City Council, identified City Departments, and other identified bodies. Our Outreach Team will be a functional part of this.

**Goal 4** - We will continue past goals which have been effective. We will discontinue past ineffective goals.

**Goal 5** - We will refocus our monthly meetings to meet these goals through our agendas and expected accountability. Our Chair will create additional committees to facilitate our process. We recommend more pre-meeting written reports be sent to our members.
