ICMA

Leaders at the Core of Better Communities

Fiscal Health & Wellness through *Priority Based Budgeting*

"Today's challenges have required local governments to work differently, looking to new and innovative approaches to service delivery, while at the same time reducing costs and increasing efficiency of operation. While "best" practices are always important for managers to follow and implement, it is those "leading" practices—creative and innovative ways to approach service delivery—that hold the greatest promise for us to truly "reinvent" government and the ways we do business..."

From 2007

Across the Board Cuts Address \$14.5 Billion Shortfall

- California Governor's Office: “Across-the-board approach spreads reductions as evenly as possible so no single program gets singled out.”
- Reaction: “the governor’s approach would be like a family deciding to cut its monthly mortgage payment, dining-out tab and Netflix subscription each by 10%, rather than eliminating the restaurant and DVD spending in order to keep up the house payments.”

According to Moody's:

- Across-the-Board versus Targeted Budget Cuts
 - “Across-the-board cuts can be a way to avoid tough decisions”
 - “Targeted cuts require a **serious discussion of community values, relative benefits of different services, and long-term implications**”
- Moody's wants to see how local governments plan for and respond to financial challenges over the long term
 - *“Making targeted cuts can demonstrate a more strategic approach to managing the fiscal crisis”*

ACHIEVING LONG-TERM FISCAL WELLNESS

STEPS to SUCCESS – Priority Based Budgeting

1. Determine Results

- Accurate prioritization of programs, reflecting the organization's stated objectives, depends on the comprehensive identification of the *Results* it is in business to achieve

2. Clarify Result Definitions

- Precision in prioritization depends on the articulation of the cause and effect relationship between a program and a *Result*
- Using clearly defined “**Result Maps**”, detailing the factors that influence the way *Results* are achieved, the organization can minimize subjectivity in the process of linking programs with its *Results*

3. Identify Programs and Services

- Comparing individual programs and services as opposed to comparing departments that provide those services allows for better prioritization

4. Value Programs Based on Results

- With the right *Results* that are clearly defined, the organization can more accurately “value” a program relative to its influence on achieving *Results*

5. Allocate Resources Based on Priorities

- Using “**Resource Alignment Diagnostic Tool**”

Strategic Questions

1. *What are we in “business” to do?*

What are “Results”

- *High-level and over-arching reasons the organization exists in the eyes of the community*
- *Remain consistent and unchanged over time*
- *Comprehensive*
- *Distinguished from (i.e. “Results” are not...)*
 - Vision or Mission Statements
 - Organizational Values
 - *How* we want to achieve our results
 - “*Marketing*” statements
 - Look and feel of the community
 - Specific short-term, projects, goals or initiatives

Step 1: Determine Results

CITY OF BILLINGS, MONTANA

Result: **COMPREHENSIVE, ORDERLY GROWTH and DEVELOPMENT**

If the CITY OF BILLINGS _____, then it will have successfully achieved the result of providing **COMPREHENSIVE, ORDERLY GROWTH and DEVELOPMENT**

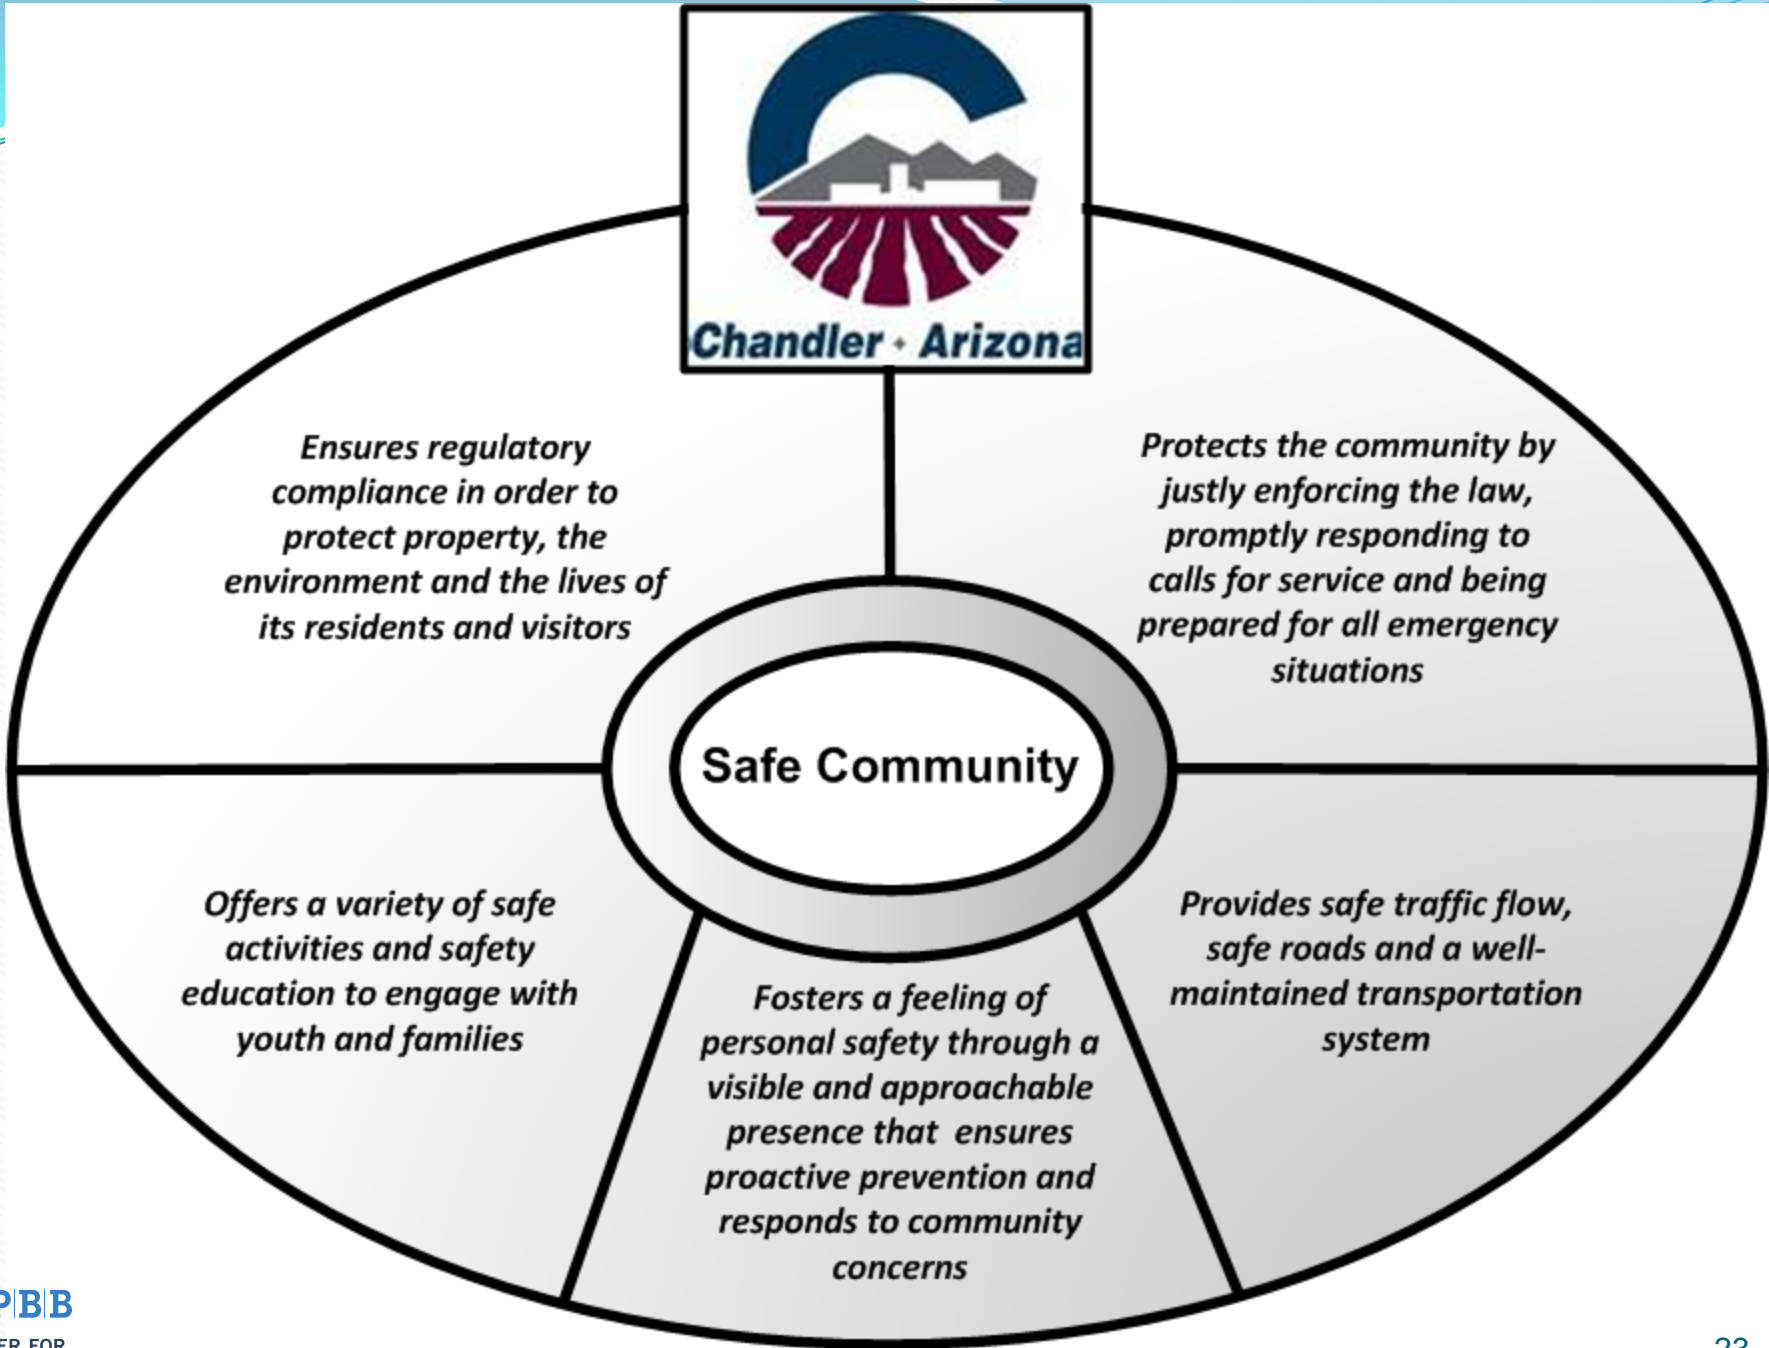

<i>Provides, maintains and invests in a well-planned public infrastructure network that accommodates the long-range growth needs of the community</i>	<i>Develops, preserves and revitalizes residential neighborhoods that are safe, attractive and provide diverse, affordable housing options</i>	<i>Appropriately plans for the creation, maintenance and accessibility of open space, parks, recreational activities and educational opportunities</i>	<i>Optimizes the City's resources and enhances the growth needs of the community through well-planned infill and annexation</i>	<i>Develops and prepares integrated, comprehensive long-range zoning and land use plans that are consistently followed and managed</i>	<i>Partners to plan, prepare and collaboratively invest in properly regulated, quality and future-focused development that stimulates the local economy and is consistent with community standards</i>
---	--	--	---	--	--

Fix existing infrastructure before building new	Support affordable housing development city-wide, not just in low income areas	Park/trails/open space creation & maintenance	Incentivize infill development	Structured/consistent zoning regulation	Partners to plan, prepare and collaboratively invest in properly regulated, quality and future-focused development that stimulates the local economy and is consistent with community standards
Administers and prioritizes its CIP	Promote neighborhood revitalization	Develop resources to support park development	Continue annexation policy that identifies areas for growth already served by City programs	Updates & maintains zoning	Develops and prepares integrated, comprehensive long-range zoning and land use plans that are consistently followed and managed
Fund CIP on regular basis so infrastructure is built, repaired & replaced	Invests in downtown & neighborhoods	Water Park 15 minutes from every home	Annexation plan	Well-defined annexation plan/map/policy	Provides, maintains and invests in a well-planned public infrastructure network that accommodates the long-range growth needs of the community
Reviews & approves the CIP	Blighted/run-down area redevelopment	Public indoor recreation centers	Identify whether infill areas are sufficient to meet future growth needs	Infill policy	Develops, preserves and revitalizes residential neighborhoods that are safe, attractive and provide diverse, affordable housing options
Long-term arterial road plan	Provides broad housing choices	Parks where needed	Stops annexing areas not up to City standards		Appropriately plans for the creation, maintenance and accessibility of open space, parks, recreational activities and educational opportunities
Infrastructure paid for by development	Ensure affordable housing	New recreation programs for youth			
Anticipate, plan & provide for increased infrastructure	SUBDIVISION ZONING - INCLUDES LOW INCOME HOUSING	A park within walking distance from every home

RESPONSIVE, ACCESSIBLE and COURTEOUS TO ITS CUSTOMERS

Strategic Questions

1. *What are we in “business” to do?*
2. ***What exactly do we do?***

Step 3: Identify “Programs”

- Departments develop their own “program” inventories – only **ongoing**; exclude capital & one-time
- Comprehensive list of “**what we do**”
- Comparing relative value of programs, not relative value of departments
- ***Goldilocks & the Three Bears: Not too big, not too small, just right!***
 - **TOO BIG** = Departments/Divisions
 - **TOO SMALL** = Tasks
 - **JUST RIGHT** = Measure relative size based on costs/people associated with program to more discretely demonstrate how resources are used

Strategic Questions

1. *What are we in “business” to do?*
2. *What exactly do we do?*
3. ***How do we figure out what is “core” OR What is of the highest importance?***

Step 4: Score Programs against Results & Attributes

City of Boulder's Results

- Accessible & Connected Community
- Economically Vital Community
- Healthy Environment & Community
- Inclusive & Socially Thriving Community
- Safe Community

Basic Program Attributes

- Mandated to Provide the Program
- Reliance on the City to Provide the Program
- Cost Recovery of the Program
- Change in Demand for the Program
- Portion of Community Served by the Program
- *And/or any other criteria that is relevant to your community*

Simple Scoring Scale – “Degree” of Relevance to a Result

4 = Program has an *essential* or *critical* role in achieving Result

3 = Program has a *strong* influence on achieving Result

2 = Program has *some* degree of influence on achieving Result

1 = Program has *minimal* (but some) influence on achieving Result

0 = Program has *no* influence on achieving Result

***“High Degree”
of Relevance***

***“Lower Degree” of
Relevance (still a
clear connection)***

***No Clear
Connection***

Basic Program Attributes:

Mandated to Provide Program

- *Programs that are mandated by another level of government (i.e. federal, state or county) will receive a higher score for this attribute compared to programs that are mandated solely by the City or have no mandate whatsoever.*
- The grading criterion established to score programs, on a 0 to 4 scale is as follows:
 - 4 = Required by Federal, State or County legislation
 - 3 = Required by Charter or other incorporation documents **OR** to comply with regulatory agency standards
 - 2 = Required by Code, ordinance, resolution or policy **OR** to fulfill franchise or contractual agreement
 - 1 = Recommended by national professional organization to meet published standards or as a best practice
 - 0 = No requirement or mandate exists

Basic Program Attributes:

Reliance on City to Provide Program

- *Programs for which residents, businesses and visitors can look only to the City to obtain the service will receive a higher score for this attribute compared to programs that may be similarly obtained from another intergovernmental agency or a private business.*
- The grading criterion established to score programs, on a 0 to 4 scale is as follows:
 - 4 = City is the sole provider of the service
 - 3 = Program is only offered by another governmental, non-profit or civic agency
 - 2 = Program is offered by only one other private business in the immediate area
 - 1 = Program is offered by other private businesses but none are located within the City limits
 - 0 = Program is offered by other private businesses located within the City limits

Identify “Value” of Program Based on their Influence on Results

Individual Department Program Scorecard

Peer Review (Quality Control) Process

City of Boulder, CO

Program Prioritization

Peer Review of Departmental Program Scoring

Community Result: ECONOMICALLY VITAL COMMUNITY

Each department has scored its programs using a two-step process: (1) determine the relevance of a program in respect to the Priority Result and (2) determine the influence of the program. Programs were scored within a range of between "0" and "4". For details on the scoring, please refer to the departmental scoring instructions in your packet. As part of the validation process, which departments scored with a "3" or "4." The task of the Peer Review team is to review the information provided regarding these programs within the context of the Priority Result definition.

1. review the program descriptions and determine whether you agree with the departmental score based on how well the program aligns with the Priority Result (does the program achieve the goal?)
2. request additional information to understand the departmental score, if necessary; and
3. after receiving additional information and discussion, recommend a different score to the City Manager, if necessary.

The following Programs are Listed in Order of Score, From High to Low, Relative to this Result

DEPARTMENT OFFERING PROGRAM	Division	PROGRAM NAME	PROGRAM DESCRIPTION	Program Number	Program Notes	Dept. Score	Agree with Dept. Score? (Yes/No)	Need More Information? (Yes/No)	Notes for Review Team Member	Revised Score
Community Planning & Sustainability	Economic Vitality	Economic Vitality Program & Sponsorships	Wide range of assistance to new & existing, small & large businesses; retention/expansion critical to the city's economic health and revenues (sales & use taxes/permit fees); sponsorships supports service to small and independent businesses.	29		4				4
Community Planning & Sustainability	LEAD	City Organization Sustainability	New City Sustainability Plan; Economically vital-could not ask the same of businesses in the community if we as a city organization are not doing our part; Safetranked for environmental health.	39		4				4
DUHMD/PS	04	Downtown & Community Improvements-streetscape	Mall Infrastructure improvements and FFR replacement for items such as PopJet fountain, weeping rock, benches, etc	49		4				4
Fire	Fire Safety	Inspections/Code Enforcement	Provides inspection and enforcement services to ensure existing buildings and new construction meet fire and safety code requirements prescribed in the Boulder Revised Code.	76		4				4
Open Space & Mountain Parks	Land & Visitor Services	Trail Program Maintenance and Construction	Desc: Annual maintenance of existing trail system. New trail construction and large scale maintenance projects to make existing trails more sustainable Mandated: Charter Section 176c & 176h Provide for passive recreation such as hiking, equestrians and biking Change: As surrounding communities continue to grow, more people visit the OSMP trail system. Reliance: The City would not allow a private citizen to construct a new trail on public land nor would we expect the private citizen to pay for it. Access: OSMP constructs and maintains ADA accessible trails, this is a unique opportunity for mobility impaired people to recreate outside. OSMP also plans, constructs and maintains a trail infrastructure system that provides an opportunity to bring people closer. Econ: The opportunity to recreate on OSMP, via the trail system, is essential to the economic vitality	168		4				4
