PROCEDURAL INFORMATION

Anyone who wishes to address the Council on any item on this part of the agenda may do so when the Mayor calls for public comment. All public hearings are conducted in accordance with Council Policy. When Council is considering adoption of an ordinance on first reading, Loveland's Charter only requires that a majority of the Council quorum present vote in favor of the ordinance for it to be adopted on first reading. However, when an ordinance is being considered on second or final reading, at least five of the nine members of Council must vote in favor of the ordinance for it to become law.

REGULAR AGENDA

CONSIDERATION OF ITEMS REMOVED FROM CONSENT AGENDA

4. **CITY CLERK** (presenter: Terry Andrews)
APPROVAL OF MINUTES

1. A motion to approve the August 13, 2013 Special Meeting & Study Session Minutes. Councilor McKean was absent. Councilor Shaffer was absent for the Special Meeting but present for the Study Session.

This is an administrative action to approve the August 13, 2013 Special Meeting & Study Session Meeting Minutes.

2. A motion to approve the August 20, 2013 Regular Meeting Minutes. Councilor Farley was absent.

This is an administrative action to approve the August 20, 2013 Regular Meeting Minutes.

**5. CITY ATTORNEY (presenter: John Duval)
PUBLIC HEARING**

CITIZEN INITIATIVE PETITION FOR A TWO-YEAR MORATORIUM ON HYDRAULIC FRACTURING

1. A motion to approve and order published on first reading an Ordinance of the Loveland City Council Placing a Two-Year Moratorium on the Use of Hydraulic Fracturing Within the City to Extract Oil, Gas or Other Hydrocarbons and on the Storage and Disposal of Its Waste Products in Order to Fully Study the Impacts of Hydraulic Fracturing on Property Values and Human Health

The proposed ordinance is a legislative action for the Council to adopt on its own authority the ordinance proposed in the citizen initiative for a two-year moratorium on hydraulic fracturing.

2. A motion to approve a Resolution #R-67-2013 of the Loveland City Council Submitting a Citizen-Initiated Ordinance to a Vote of the City's Registered Electors at the City's Regular Election on November 5, 2013

3. A motion to approve a Resolution #R-68-2013 of the Loveland City Council Submitting a Proposed Ordinance to a Vote of the City's Registered Electors at the City's Regular Election on November 5, 2013

The resolutions are both administrative actions. The first resolution refers to the voters and fixes a ballot title for the citizen-initiated ordinance and the second does the same for a Council-initiated ordinance that has essentially the same language as the citizen-initiated ordinance. Both would refer the ballot title to the November 5, 2013 regular election, which will be conducted as a mail ballot election in coordination with the Larimer County Clerk and Recorder.

REVISIONS TO SYSTEM INVESTMENT FEES AND STORMWATER UTILITY FEES

A motion to adopt a Resolution #R-66-2013 Concerning Revisions to the Stormwater Rates for System Investment Fees (SIF's) and the Stormwater Utility Fee for 2014 and Beyond

This is an administrative action to adopt a resolution on first reading that provides

funding for the Stormwater Enterprise through a series of rate increases for System Investment Fees (SIF's) and the Stormwater Utility Fee. The presentation and discussion will include existing rates and the potential adjustment to rates going forward; on-going needs, and City Council direction from the December 11, 2012 Study Session. The SIF's (Stormwater's version of Capital Expansion Fees) are collected with each new development to provide regional stormwater facilities the ability to protect the existing downstream property owners. The last adjustment to these fees appeared in 2005. The Stormwater Utility Fee is based on the costs to upgrade the existing Stormwater system that was in place prior to 1987, as well as, maintain all of the public Stormwater facilities across the City. The last adjustment to these fees was in 2002.

The proposed rates to the SIF's would balance the costs across the anticipated development within the City's Growth Management Area (GMA), allowing for the anticipated regional improvements to be funded. The proposed rate for the Stormwater Utility Fee would expedite the completion of Master Plan Projects within the area of the City that existed prior to 1986, which current rates would never allow for completion.

The Stormwater Utility will be positively affected by additional funding for capital projects.

JULY 2013 FINANCIAL REPORT

This is an information only item. The Snapshot Report includes the City's preliminary revenue and expenditures including detailed reports on tax revenue and health claims year to date, ending July 31, 2013.

9. **CITY MANAGER** (presenter: Alan Krcmarik)
INVESTMENT REPORT FOR JULY 2013

This is an informational only item. The budget estimate for investment earnings for 2013 is \$2,760,420. Through July, the amount posted to the investment account is \$840,109 including realized gains. Actual year-to-date earnings are much lower than the budget projection. Earlier this year, several very high interest rate corporate bonds matured, so future yields will be lower. The estimated annualized yield on market value for securities held by US Bank increased to 1.16% at the end of July, higher than the 1.06% yield reported at the end of June. The yield is still under the annual target rate of 1.20% for 2013. Reinvestment rates have risen recently after being at near record low levels. Current reinvestment rates are now higher than the budget projection target.
