Attorney Roger Clark appeared with Mike Zapf to address the Authority and answer questions. The Authority incorporated the previous reading of the procedures into the record. Ms. Ablao read the proposed stipulation whereby the Licensee will admit the violation and a 25 day suspension will be imposed. The Licensee will serve 5 days of active suspension consecutively with 10 days from the previous violation's suspension. Twenty days of the suspension will be held in abeyance for one year provided that: The Licensee does not violate the Colorado Liquor Code or the Colorado Code of Regulations at the licensed premises during the year; and agrees to have untrained employees attend an approved alcohol server training class within 90 days. The Licensee admitted the violation, waived the right to a hearing and explained the circumstances of the violation. The Licensee requested that the days of service be served in two sets of dates starting at 2:01 a.m. on November 9 to 1:59 a.m. on November 14, 2014 and 2:01 a.m. on December 21 to 1:59 a.m. on December 29, 2014. There was no objection to the starting and ending time by the City. The Police Department also approved of the time change. The Authority accepted the admission, finding it is voluntary and not the result of any undue coercion, and imposed the penalty as written in the proposed stipulation with the addition of the starting and ending times. The premises will be posted with two signs during the suspension to notify the public. The Authority directed the Licensee to appear at the next renewal hearing.

Ms. Ablao stated that the Licensee had provided and she reviewed the financial records to determine a fine of \$2,772. The Licensee admitted the violation and waived the right to a hearing. The Authority accepted the admission, finding it is voluntary and not the result of any undue coercion, and imposed the penalty as written in the proposed stipulation. The Authority directed the fine of \$2,772 be paid no later than October 24, 2014. The Authority asked if there were any objections to approving the renewal.
