Marlene Boulton and Tom Hamblin appeared to address the Authority and answer questions. Mr. Hamblin explained that the restaurant has been running smoothly without violations for three years with the same staff whose capabilities are to act as Assistant Managers and make decisions unless an owner is needed. He stated that Marlene wanted to remain on the license as part owner and is available to make decisions anytime and handle the accounting duties. Mr. Junglas asked Ms. Boulton about the distance she travels to the restaurant, alcohol server training and if she is at the restaurant at night. Ms. Boulton responded that she's only 15-20 minutes away, has been trained along with the current staff by the LPD and is available but is usually not at the restaurant at night. The Authority was satisfied with the owners' explanations and approved the renewal of the license listing Ms. Boulton as manager and the corporate change. There were no other concerns from the City. The application will be mailed with an explanation of the reason for late renewal to the Department of Revenue. Mr. Hamblin also informed the Authority that a correction was being made to his criminal history record which indicated a violation that was for someone else from West Virginia. The Authority thanked the owners for appearing at the hearing.
