In 2014 over 1,000 second graders participated over 3 days, visiting 3 the Loveland Museum/Gallery, the Rialto Theater, and the Lone Tree School. There were 27 volunteers over the course of the 3-day event. This year, the event will span over 5 days to keep groups smaller. Volunteers are needed for many different roles and you are not required to commit to all 5 days. Please see the enclosed material for more information and to sign up.

## HISTORY DAY FOR SECOND GRADE STUDENTS

Hello!

The Loveland Museum/Gallery is excited to partner again with Thompson Education Foundation and the Lola Johnson Field Trip Fund to bring History Day to second grade students in the Thompson School District.

In its second year, these field trips will include hands-on lessons and tours of historic sites that will enhance local history curriculum for our second graders. Lola Johnson's family established the Fund with Thompson Education Foundation to celebrate Lola's commitment to education in our district. Lola supported the restoration of Lone Tree Schoolhouse and helped write the first Loveland history curriculum for elementary school students. This second grade field trip will be an annual spring opportunity, provided at no cost to the second grade classrooms or the schools. Our goal is to serve each and every second grade classroom in 20 elementary schools in TSD, meaning this program will reach over 1,100 students.

We are in need of a large number of adult volunteers to help us facilitate and supervise this field trip. Volunteers will be screened and then will be assigned to help with lessons, and also the supervision and safety of the participants. Please note that this is a five-day program, however, you DO NOT need to sign up for all five days of this event. You also DO NOT need to sign up for the same position for each day. You DO need to be available for the entire shift you sign up for, though. Please see the application or facilitator schedule for available shifts.

Volunteers are needed for the following roles:

- **LEAD Facilitator**- LEAD facilitators will be in charge of instructing a lesson. These positions are great for retired teachers or anyone who has been in front of a classroom. I will provide your lesson plan, but you will need to familiarize yourself with the materials.
- **ASSISTANT facilitators**- will help out the LEADs by passing out materials or handouts and answering questions, as well as assisting with the lesson.
- **Bell ringers**- help keep track of workshop times and help us move the workshops along.
- **Traffic controllers**- help us get the kids safely from the Rialto to the Museum and vice versa.

Again, I am in need of a large number of wonderful volunteers to help us pull off this amazing event! Please pass this along to others who may be interested. THANK YOU!!!
