On May 19<sup>th</sup> the Loveland City Council will be considering an ordinance to reduce the 3% sales tax on food for home consumption (groceries). In preparation of this public hearing, the Council has requested that the City Manager prepare a proposal for reductions to the City budget that would accommodate the loss in general fund revenues attributable to this tax. This is estimated to be approximately \$6 Million annually if the sales tax is fully eliminated.

The Historic Preservation Commission will be provided with information about the budget reduction proposal developed by City staff, and specifically provided with details about the reductions proposed for the Development Services Department. With this information, the Commission will be invited to develop and submit a written statement in response to the proposed reductions to the City Manager's Office by 5:00pm on Wednesday, May 13<sup>th</sup>.
