1. LOVELAND POLICE DEPARTMENT (presenter: Tim Brown) VICTIM WITNESS COORDINATOR

This is an information only item. Loveland Police Department is required by the state Victim Rights Act to offer crime victims certain services and information. The Police Department wishes to continue to provide victims of crime the rights granted by the Act by employing a Victim Services Coordinator to provide such victim services and information in the most comprehensive, yet cost efficient manner.

2. DEVELOPMENT SERVICES (presenter: Bob Paulsen) TITLES 16, 17, 18 & 19 CODE AMENDMENTS

This is an information only item to review proposed amendments to Titles 16, 17, 18 and 19 of the Municipal Code. Collectively, these titles address requirements relating to the development of land.

The primary focus of the amendments is to establish procedures and requirements for the processing of development review applications, including subdivision, annexation and zoning applications. The heart of this effort includes two primary components:

1. New chapter 18.39 - Development Application Process and Procedures
2. Expanded chapter 18.46 - Site Development Plan Requirements and Procedures

In addition to the main procedural amendments, the changes include clarifications and adjustments to portions of each of the four titles. Most of these adjustments are relatively minor and do not substantively change the code. With these clarifications, a concerted effort has been made to eliminate unnecessary and out-of-date requirements that clutter the code. Code adjustments also establish consistent style conventions in the four titles, including the formatting of definitions, capitalization and the use of common terms. Collectively, these amendments have a rippling effect throughout the four titles, resulting in a large volume of changes. The substantive changes are limited to those highlighted in yellow in Attachment 3.
