

# Updated Colorado Labor Data – from the Colorado Department of Labor and Employment

- ❑ Loveland’s employed workforce expanded in February **up 825** jobs from January.
- ❑ Compared to February of 2015, there are **1,827 more** jobs reported by Loveland residents

*Important note: It is a routine practice at the beginning of each year for the Bureau of Labor Statistics to revise estimates for prior years based on new information available and updated methodologies. Revisions to the unemployment rate and all related household survey based series as a result of the benchmark process this year were particularly significant due to a change to American Community Survey based inputs. All series were revised back to 1976.*
