

PETITION FROM THE HUNTER'S RUN COMMUNITY REGARDING THE LEE FARM DEVELOPMENT

The community members of the Hunter's Run community would like to petition the Loveland City Council to deny the current proposed amendment to the Lee Farm Development and request that the developer amend their proposal to provide the following:

1. Increase the swell between Hunter's Run and Lee Farm as stated in the proposed amendment to help mitigate the water issues faced in this area.
2. Keep the original 'mirrored' site and privacy fence as stated in the CDP approved in 2006 between Hunter's Run & Lee Farm
3. Keep the road configuration in the original CDP approved in 2006 to run to the north of the 'mirrored cul-de-sac'
