Speaker: Officer Dave Sloat from Loveland's Police Dept. "SCAMS" Dave had handouts to review and helpful information regarding *Nigerian scams*, calls and items sent via mail. Cautioned us to be vigilant about phone surveys, computer usage, "Face Book and My Space." If something comes in the mail- that's suspicious-return it to the Post Office. Beware of "Travelers" that ask to resurface your driveway. Regarding the 2010 Census, IF YOU FILL it OUT and MAIL it in... The Government is NOT supposed to send anyone to your door. National Crime Prevention # 202-296-1356 or www.ncpc.org Dave's other cautions-only use your DEBIT CARD as a CREDIT CARD. If using ATM-make sure no one watching with cell phone camera. Please call Dave Sloat if you have questions 970-962-2229. He has the Lockbox Program for the city also.

Residents attending had comments also for this discussion. Marigail requested Earl explain the purpose of the SAB to the attending guests from Sugar Valley.

City Update (Daryle Klassen)-Council meetings ending much earlier as not much to review for Land Use. Library renovation will be 7-8 million, will begin this summer. Downtown Loveland revitalization, is looking to possibly expand the Rialto Theatre building. "Thunder in the Rockies" motorcycle rally will NOT be at the Ranch this year.

Computer Classes (Earl Stevens) as of today, this class is ½ full. Maximum amount of seniors that could attend these classes is 24. Students still providing snack, bring your lunch & lap top.

Boards and Commissions Summit (Earl Stevens) handed out copies of SAB 2009 Accomplishments. Please review this handout and bring to April 7th meeting to develop our GOALS for this year.

In an effort to communicate SAB involvements-we are looking for a volunteer to post SAB events with the online "Bluebook" announcements.

Resource Line calls (Bettie Herder) "Carley" from the "Fountains of Loveland" returned Betty's call. She did meet with Phoebe and Judy to preview the space for the 2010 Bridging the Gap-networking event. The "Fountain" looks good to host the 300 attendees for the 14th year of this event.
