

# DON'T DESTROY the Things You Love

100 million elm  
killed by Dutch elm  
disease

Millions of  
hardwoods killed by  
gypsy moth

20 million ash killed  
by emerald  
ash borer

Millions of pines  
threatened by  
European wood wasp

Transporting firewood can  
spread insects and diseases  
that **KILL TREES.**

Please...buy firewood  
where you camp.

If you have firewood from out of state, please  
**BURN IT IMMEDIATELY.**  
Our forests thank you!
