**NOTES:**

\* This map is for informational purposes only, and identifies development applications that have been submitted to the City of Loveland Current Planning Division for review, for which no final approval has been granted by the City of Loveland. The data provided on this map is based on the applications submitted to the City of Loveland and may not reflect any revisions to those applications since their original submittal.

\* This map covers a large area, includes a great deal of information, and is intended only for general planning purposes. To allow for optimum readability, the width of some lines is exaggerated and the location is general. For more precise information on City planning boundaries, City limits, proposed developments, existing public lands, roads, water features and similar information, please consult more detailed maps available from the City of Loveland.
