presents

**Political  
Education Night**

A goal of the City of Loveland Youth Advisory Commission is to provide opportunities for all local teens to connect with government.

Political/Government Education Night is intended to provide teens with information pertaining to the current election year and allow them to ask questions and gain knowledge on local issues and candidate platforms.

Join us for this informational event to learn more about the presidential candidates, congressional and local candidates, ballot issues and other important election information.

**Tuesday, Oct. 19  
7:00 - 8:30 pm**

**Pulliam Building  
545 N. Cleveland**

This event is open to students who would like to learn more about this year's election. (Parents are welcome).

Students do not have to be of voting age to come and learn more about candidates and ballot issues.
