Additionally Chief also explained Part I crimes and UCR crime reporting (NIBRS) It is very important that we report both UCR and Part I crimes. Note: *82.1.4 UCR/NIBRS A written directive establishes procedures for collecting and submitting crime data to a national uniform crime reporting program or national incident-based reporting system, or state system if one exists.*
- Car crashes are slowly decreasing and officers are being very proactive on traffic citations and the officers give out a lot of warnings which is a great communication tool between the officer and the offender.
