

## LAWS & RULES OF THE ROAD

### Colorado State Law: Bicyclists Rights & Duties

- · Bicyclists have all the rights and duties that apply to drivers of any other vehicle, except those which by their nature cannot apply.
- · Always ride in the right-hand lane, following the direction of traffic. When being overtaken by a vehicle, ride as far to the right as practicable.
- Ride with at least one hand on the handlebars.
- · Signal your intent to turn or stop.

- · When turning left, you may either turn as a car using the left-most lane, or turn as a pedestrian, moving to the far side of the intersection, then crossing in the new direction when the light is green or the signal indicates "walk."
- · Use lights and reflectors at night.
- · When riding/walking a bicycle in crosswalks or sidewalks you have all the rights and duties as pedestrians. Give an audible signal when passing and yield as needed.
- In Loveland, bicycling or skateboarding is NOT allowed on sidewalks in zoned districts "Be" or "B" (downtown business area) or when posted.
- · Ride on shoulder where paved shoulder exists. Exceptions:
- ♦ When overtaking and passing another bicycle or other vehicle proceeding in the same direction.
- ♦ Turning left at an intersection or driveway.
- ♦ When reasonably necessary to avoid hazardous conditions, such as vehicles, pedestrians, animals, surface hazards, etc.
- It is preferred that you ride single file. You may ride two abreast under these circumstances:
- ♦ When riding will NOT impede the normal and reasonable movement of traffic
- ♦ When riding on paths or parts of roadways set aside for the exclusive use of bicycles.
- Riding on a shoulder is permitted when all cyclists are on the shoulder.

### **BUFFERED BICYCLE LANES**

A buffered bicycle lane is an enhanced bike lane with a painted buffer area separating the bicycle lane and the motor vehicle travel lane. Buffered bike lanes can increase safety and provide additional comfort for bicyclists.

## SAFETY TIPS FOR ALL

Take responsibility for your own safety.

- Scan for hazards. Cross railroad tracks perpendicularly.
- Dress appropriately, wear reflective clothing.
- Be prepared for changing weather.
- Carry items in packs attached to your bike.
