Cottonwood Leaves

Great Blue Heron is one of our largest birds

Dog tracks often show claw marks.

Raccoon tracks show five “fingers”

Cattails hide animals

- One seed dispersed by the wind
- 100 of something
- Three different kinds of seeds
- One camouflaged animal or insect
- 5 pieces of manmade litter
- Something perfectly straight
- Something beautiful
- Something that is of no use in nature – think!
- Something that makes a noise
- Something important in nature
- Something that reminds you of yourself

“winged” seeds – Maple family

Has anyone called you “a goose”, or said you were “squirrely”? Maybe you are slow? Or fast?
