

## City of Loveland - Industrial Pretreatment Program

### Preliminary Wastewater Discharge Survey Form

---

Dear Utility Customer,

The City of Loveland Department of Water & Power is required by Federal law [40 CFR 403.8(f)] and State law (Department of Public Health & Environment Regulation #63) to obtain information about commercial business customers connected to the sewer system.

As part of our efforts to comply with Federal and State regulations, the City obtains information necessary to evaluate the business operation and if measures are needed to prevent issues in the sewer collection system or at the wastewater treatment facility.

Complete the preliminary wastewater discharge survey and return it to the Pretreatment Program. **The survey must be signed by** an Authorized Representative of the business, not the architect, contractor, engineer, plumber, etc.

After review of the completed questionnaire, you will be notified if additional information is needed, or of any action(s) required to comply with the City's Pretreatment Program.

Requests for confidential treatment of information provided on this form shall be governed by procedures specified in Chapter 13.10 of the City of Loveland Municipal Code. Information and data provided in this questionnaire which identifies the content, volume, quality and frequency of discharge shall be available to the public without restriction.

If you have any questions regarding the survey, please contact the Pretreatment Program at (970) 962-3719.

Thank you.

## City of Loveland - Industrial Pretreatment Program

### Preliminary Wastewater Discharge Survey Form

If a section does not apply mark N/A to show it was reviewed.

**Return this survey to: Pretreatment Program, 920 S. Boise Avenue, Loveland, CO 80537**

Local establishment name: \_\_\_\_\_

Doing business as (if different than above): \_\_\_\_\_

Loveland business address: \_\_\_\_\_ Unit: \_\_\_\_\_ Zip: \_\_\_\_\_
