Project Description

Summary of Proposed Development:	The CS Pad is proposed on a parcel owned by Centerra Properties West, LLC. MRG has been in communications with the property owner to schedule the development of the proposed oil and gas location to coincide with the intents of Centerra Properties West,
----------------------------------	--

	<p>LLC, to develop their property for future residential uses. Of all the alternative locations analyzed to develop these minerals, this location had the advantage of being the furthest away from the majority of homes and could be developed prior to the proposed development in the area. This will avoid, minimize, and mitigate the potential impacts to the public health, safety, and welfare of City of Loveland residents and surrounding communities by allowing the more impactful activities of drilling and completions to occur prior to residences being built and occupied in the area.</p> <p>MRG intends for this location to have a single drilling occupation to drill all 11 wells. MRG also proposes a single completions occupation. By planning single occupation drilling and completion phases, this will minimize the long-term traffic to the location as well as minimize the traffic, noise, and other potential nuisance factors for current and future residents in the area.</p>
General Location:	The proposed location is south of E Eisenhower Blvd., north of E County Road 20E and west of I-25. See the attached vicinity map.
Property Address:	4856 E. Eisenhower Blvd.
Existing Zoning:	Planned Millennium Addition
Legal Description:	The location is proposed in Township 5 North, Range 68 West, Section 11, SENE, within the boundaries of the City of Loveland. 11 horizontal wells are proposed for the location.
Additional Information:	Additional information on the project is available at CityofLoveland.org/CDA

Additional information on providing input is available on the City's Oil & Gas Development website: <https://www.lovgov.org/services/development-services/current-planning/oil-gas-development-in-loveland>
