

City of Loveland, CO: Centerra Shopping District

This chart is used by those who are required to collect PIF and RSF. This chart will help you determine which sales tax/fee rates are applicable. Determining which rate to collect depends upon 2 things:
How the customer paid & where possession is taking place?

How did the customer pay?	Where is the customer taking possession of the item?		
	In store pickup	Delivered to Loveland Address	Delivered to a Non-Loveland Address
Internet or phone app OR Through the store's register	6.70% Sales Tax (3.0% Loveland 2.9% CO 0.80% Larimer)	6.70% Sales Tax (3.0% Loveland 2.9% CO 0.80% Larimer)	Contact the jurisdiction it's being delivered to, for the sales tax rate.
	7.823% Sales Tax/Fee Rate <i>See Sales Tax And Fee Explanation page for detailed information on the 7.823% rate.</i>	7.823% Sales Tax/Fee Rate	If the store is shipping the item out of Loveland, contact the jurisdictions it's being delivered to for sales tax rates. If the customer is contacting a 3rd party carrier to have it shipped, 7.823%.

If you have online sales that require the 3% sales tax rate to be charged, and are located within the Centerra Shopping District, you will need to have a second sales tax license to report those sales. There is no license fee for those who are requesting a 2nd license in this situation.

Please email the sales tax license application to salestax@cityofloveland.org.
