NATIONAL RECREATION & PARK ASSOCIATION'S

### 3 PILLARS OF PARKS & RECREATION

MAKING AN IMPACT ON QUALITY OF LIFE

#### 1. CONSERVATION

PRESERVING NATURAL RESOURCES

Oftentimes, parks & recreation agencies are the only voice for ensuring that open space is protected, our youth have access to nature-related areas and that services and outdoor education are available. These have quantifiable economic benefits to our community.

#### 2. HEALTH & WELLNESS

IMPROVING HEALTH, ENHANCING LIFE

Our staff are leaders in recreation, sports and nutrition and offer fitness, sports and healthy lifestyle classes for people of all ages and abilities. They seek to reduce obesity, physical inactivity and poor nutrition while strengthening skills that enrich body, mind and attitude.

#### 3. SOCIAL EQUITY

ACCESS & INCLUSION FOR ALL

We strive to be a catalyst for ensuring all residents have equal access to our resources and services. We offer opportunities that transcend barriers of income through outreach activities such as our Mobile Recreation Trailer and Movies in the Park. We also provide scholarships via our Parks & Recreation Foundation.

#### GET INVOLVED!

LOVE WHERE YOU LIVE, WORK & PLAY

Join us! Enroll in a class or two, explore our open lands and natural areas, ride or walk the 29-mile paved recreation trail, discover a park or take a swing at golf.

#### VOLUNTEER

GIVE BACK, GET MORE

We're always looking for volunteers. We couldn't do what we do without them! Whether it's behind the desk at the Chilson Senior Center, outdoors with environmental education or coaching youth athletics, our volunteers are vital to our community.

**SMILE!** You could be on the next cover! The Parks & Recreation Department reserves the right to use images and/or photographs of anyone in any activity, park or public place in present and/or future printed publications or on the department web pages for promotional purposes, unless told otherwise at the time the image or photograph is taken.

## PARK RULES & REGULATIONS

### Park Hours

Most Loveland parks are open from 6:00A–10:30P daily unless otherwise specified onsite. All parks except Viestenz-Smith Mountain Park will remain open in the winter months. Loveland Sports Park may be closed due to weather conditions and restrooms may remain closed for the season and/or during extremely cold temperatures. Please refer to specific park web pages or call 970.962.2727 for more information.

### Grills

The grills located in the parks are for charcoal use. When using the grills, you must make sure the coals are completely extinguished before vacating the site. You may leave the remaining coals/ash to continue cooling, and our parks workers will eliminate the ashes when they clean the grills before their next use. If you prefer to use a gas grill, you are welcome to bring your own to the park, as long as you use it on a paved/cement surface and you allow it time to cool so you may take it with you when you leave.

### Pets

- Pet owners are required to pick up and remove pet waste. Pets must be leashed and under human control at all times, except in designated dog park enclosures. Dogs at the dog park enclosure must remain under voice control. A leash is still required for arrival/departure at the dog park, or if there are control issues in the dog park areas.
- Pets are NOT allowed inside the Barnes Softball Complex at Fairgrounds Park or Centennial Park baseball complex, on inline hockey rinks, skate park areas, spray park areas, playgrounds, basketball and volleyball courts, the Championship Field at Loveland Sports Park or within 100 feet of any other athletic courts or fields while practices or games are being played.

### Permitted Items

- Only small pop-up shade shelters with removable walls are allowed (10' x 10' max) and must be weighted down. No stakes are to be driven into the ground more than 6" for any reason (irrigation lines are present). Camping as defined as setting up a tent or like structure for privacy is prohibited. Overnight parking or camping is prohibited.
- No jump castles, dunk tanks, pony rides or similar set-ups.
- No Silly String, paint or any other item which may contain dyes and cause permanent damage.
- Collecting, removing, destroying or defacing any natural or manmade object is NOT permitted.
- Vending is not allowed in City parks, open land areas or trails without prior permission from the Parks & Recreation Dept.
- Smoking is prohibited, except in designated areas.
- Glass containers/bottles are prohibited.
- No open fires or flames except in provided grills.

In Loveland, battery powered RC boats have been approved for use on small City-owned bodies of water only; suggested sites would be the Foote Lagoon or North Lake Park - Duck Pond.
- Regulation as of August 1, 2018: No hang gliding, paragliding or powered paragliding in any park or open land area.
