## **CITY COUNCIL LIAISON UPDATE**

Councilor Rice updated the commission on the ACE project. Developer, United Properties, backed out of the project. Council should know in the next 2-3 weeks, who the new developer will be. If no one meets the criteria, they will change their focus for the property.

Chair Elliott mentioned that Councilor Rice was not seeking another term on council and she thanked the councilor for her service. Councilor Rice stated that she will continue to serve Loveland, as she can, in different ways.

## **COMPREHENSIVE PLAN UPDATE**

Staff Liaison explained that the Comp. Plan was developed in 2005 and every board and commission was assigned those goals and objectives that match what they should be focused on doing. This is the mid-review of a ten year plan that goes through 2015.

Staff and commissioners went through each objective for the Human Services Commission's goals and updated and categorized each as: A - achieved/or no longer relevant, B - ongoing and C - everything else/special projects. Staff asked the commissioners to email any changes to the wording of the objectives and then staff will bring the updated Comp. Plan to the next meeting for a vote.

**HUMAN SERVICES GRANT FINAL REPORTS FOR 2010-2011**

Staff handed out the Agencies' Final Reports that were compiled into a book for each commissioner to read.
